

To Whom It May Concern:

This letter is a recommendation of Marcus Slaton and E32ZERO. I have known Marcus as a close friend for over 5 years. He is a man of passion and integrity. He has been a faithful part of my private prayer group, called the Wall, for several years. He has served in leadership at Higher Vision as the director of HV's Marriage Care Center. This ministry has grown significantly and become a positive force for saving and strengthening marriages. He has also been very involved in leadership with our Men's Ministry, speaking and teaching, as well as helping plan our Men's Encounters and Man-camps. He and his wife have been intricately involved in the ministry of Higher Vision.

It has been amazing to watch E32ZERO grow in its influence among businesses, churches and ministry. I will never forget the day Marcus shared the vision that God had put in his heart to help people "Live Out" the life God has for them. Marcus has an amazing gift to teach powerful principles in a humble and practical way. Listening to the teachings, my life and many in our leadership have received the tools to take things to the next level.

If you Pastor a church, lead a ministry, own a business, or personally want to launch into a new level, I want to encourage you to bring in Marcus Slaton and E32ZERO. It will help strengthen not only your own life, but also your team and everyone in your organization. It's time to reach your God-given potential and walk in a Higher Vision. So invite E32ZERO to your church this year and watch your leaders begin to grow. You won't regret it!

Sincerely,
